STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby submit a Statement of the Substance of the Interview in response to the Examiner Interview Summary form mailed April 15, 2004. As an initial matter, it should be noted that no exhibits, claims, or proposed amendments were discussed during the subject interview. The subject matter of the interview involved a misunderstanding regarding material, relating to an entity called AGR Top Wave, that was submitted by the applicants.

Although the applicants do not have a specific recollection that is as detailed as that provided by the Examiner in the Interview Summary form, the applicants

generally agree with the summary of the conversation provided by the Examiner.
The Examiner's attention to detail is appreciated.

However, the records of the undersigned indicate that the date of the interview was April 8, 2004, not April 9, 2004, as indicated. In addition, the applicants respectfully submit that the circumstances that prompted the interview, in applicants view, were simply a misunderstanding that is now apparently resolved. The applicants provided the material in question in a good faith effort to comply with the disclosure rules. The applicants' intent was not to confuse, deceive or mislead the Examiner.

Respectfully submitted,
